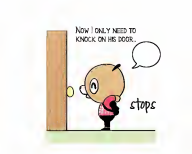
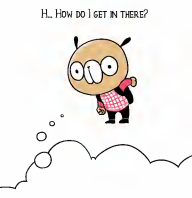
2. FACE TO FACE TALK





WANT TO GO IN,

YOU WOULD WAIT UNTIL THE PROFESSOR SAYS "COME IN", OR "PLEASE WAIT A MOMENT", THEN YOU'LL BE ABLE TO GET IN.

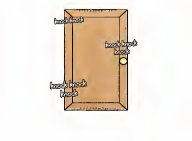
BUT IN MY CASE, I CAN'T HEAR HIM..

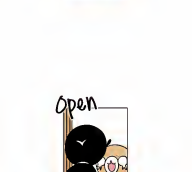
AND EVEN IF I KNOCK, THEN WAIT A MOMENT AND THEN OPEN THE DOOR..

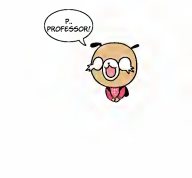
BUT EVEN AFTER 5 MINUTES PASSED

NO ONE PASSED BY. AT ALL.

AND THEN I'LL EXPLAIN MY SITUATION.







... I GET THIS FEELING OFTEN, BUT

THE FACT THAT I NEED HELP EVEN FOR SMALL THINGS MAKE ME HATE MYSELF A LOT.

[Top comment: I'm also a deaf person, but since it doesn't show from my outer appearance, the kids who called out my name at school thought I was just ignoring them and thought I was a stuck up bastard, so it really hurt me back then.]
